

COMMUNITY CPR COURSE

As part of the Bijoy Dibosh Celebration organized by Shilpangon, a CPR course is being conducted by the Rotary E-Club of Heritage, the Smart Rotaract Club, and PEDSI Global Health.

The American Heart Association CPR- AED course equips participants with the skills to perform CPR, use an automated external defibrillator (AED), and assist choking victims effectively and safely. This course is ideal for individuals with little to no medical training who want to be ready for emergencies involving people of all ages—babies, children, and adults!

- ✓ American Heart Association affiliated CPR course
- ✓ Free to the participants - must Register online!!
- ✓ Open to High school age Children and Adults
- ✓ Hands-on Training with Manikins
- ✓ CPR PreCourse Handout
- ✓ Individual CPR Mask to use and keep
- ✓ Certificate of Completion
